Auria (Linjun) Zhang

11170 NE 10th ST • Bellevue, 98004 • zlinjun1@gmail.com • (206)-321-5208

Education

University of Washington   **Seattle, WA**
Master of Science in Technology Innovation (MSTI)   Expected Mar 2026

Sheridan College   **Oakville, Canada**
Honors Bachelor of Interaction Design   Sep 2020 – Apr 2024

Experience

Bosch Home Comfort Group   **Shanghai, China**
UI/UX Design Intern   Jun 2025 – Sep 2025

- Designed UI/UX for HVAC apps and controllers, adapting Bosch's global design language and delivering assets for App Store and marketing use.
- Supported cross-department projects and high-visibility events, including the 2025 China Home Comfort Quality Festival and annual Town Hall.

T-Mobile   **Bellevue, US**
Product & Systems Designer   Mar 2025 – Jun 2025

- X-Heal – Wearable Rehab Platform for ACL Recovery, sponsored by T-Mobile's 5G Innovation Initiative in collaboration with the University of Washington.
- Built the full system (hardware prototype + React/Firebase web app), including interactive dashboards and data visualization for patient progress, incorporated into T-Mobile research for future product development.

Sheridan College   **Oakville, Canada**
UI/UX & Web Designer   Oct 2022 – Apr 2023

- Sole student designer for the official 2023 graduation website, creating the 'Meet the Graduates' section used by attendees and families.
- Improved information architecture and responsive layouts, enhancing navigation and interaction clarity across devices.

Skill Squirrel   **Toronto, Canada**
UI/UX Designer   Apr 2022 – Aug 2022

- Designed research-driven onboarding walkthroughs and dashboards for an ed-tech platform, deployed on the company's official website and still in use.
- Produced storyboards and interactive prototypes to support Agile delivery and developer handoff.

Leadership & Awards

University of Washington GIX Creative Project Award (1st Place)   **Mar 2025**
- Awarded 1st place for innovative AI-driven acoustic analysis of watermelon ripeness

Adobe Creative Jam - Honorable Mention   **Jan 2022**
- Top 10 recognition in North America for a digital design project using Adobe Photoshop and Adobe Stock.

Multi-Platform Interactive Game Project - Team Leader   **Apr 2023**
- The project was selected as a long-term exhibit in the university's official exhibition space.
